

## Assignment 2 ( Group 3)

### Methodology 1

With reference to the diagram above, following specific operations are needed to list the average grade of CS courses for each Big University student.

1. Roll-up on course from course id to program.
2. Roll-up on semester from semester id to all over the years.
3. Roll up on student.
4. Slice for course="CS"

### Methodology 2
